DEDICATION

The Senior Class of Linville High School respectfully dedicates the 1957 issue of the "Stinger" to Mr. P. M. Turner.

His untiring efforts toward the building, improving, and maintaining of Linville High School will ever be remembered with gratefulness.

Faculty

I desire each boy and girl who attends the Linville High School to feel that he is important as a vital part of a large family. I believe that every child has potentials, if properly exercised, which will make him a useful citizen. My prayer is that I may exercise wisdom in leading our youth toward the highest ideals and toward living a life that will be approved by God and man.

Sincerely,

RA Holby

"The Darling of our Campus"
SHARON ANN HOLLIS

As we leave this place of treasured memories,
where we have spent the larger part of our lives, we
hope that the students who follow us may lead a
school life of satisfaction, such as we have led.

May this, the '57 Stinger, serve as a pleasant
reminder of the happy days of our youth.
