ADMINISTRATION

Mr. Billy Till
Principal

The running of a school is a difficult task. We think our principal, Mr. Billy Till, does an excellent job at running Linville High School. Under his supervision, many needed changes and improvements have been made at Linville. The students as well as the faculty, have profited by his leadership. Mr. Till's interest in the children has made him a valuable asset to our school.

We are happy to have a new sponsor this year. We hope Miss Lewis enjoys her first year, and has many more. She is a graduate of Northeast Louisiana University. Miss Lewis is a native of Oak Grove, Louisiana and at the present time residing in Monroe. We as officers enjoy working with her on F.H.A. programs and also like having Home Economics under her.

The senior class leave for Monroe to attend a drug seminar at the Civic Center.

The Home Economic girls entertain the faculty with a tea.

Secretary of the La. Moral Civic Foundation presented an informative program to the High School on the harm of drugs.

"I, Mrs. Gordie Lee Thurston, better known as 'Aunt Gordie' or 'Grandma' to most of the children at Linville, am the daughter of Mr. and Mrs. A. D. Crow of Linville, now deceased. I attended the China Grove School in the first and second grades and Linville in grades 3-8. Before starting the ninth grade, I married Mr. William P. Thurston and, therefore, never finished high school. I have worked in the Linville cafeteria for 27 years, the past six as manager. Even though, I had many extra duties such as doctoring skinned knees, sewing up breeches, and pulling teeth, I enjoyed my work immensely. During these years I have worked under the following principals: Mr. V. L. Davis, Mr. Garland Jones, Mr. Alton Hollis, and Mr. Billy Till."

A retirement tea honoring Mrs. Thurston was held by the LHS faculty and employees in October of 1971.

Mrs. Thurston's smiling face and friendly hello will be missed at Linville.
