The running of a school is a difficult task. We think our principal, Mr. Billy Till, does an excellent job at running Livville High School. Under his supervision, many needed changes and improvements have been made at Livville. The students as well as the faculty, have profited by his leadership. Mr. Till’s interest in the children has made him a valuable asset to our school.

First day of school is always rough on our teacher...

Everyone must pay attention to the teacher!!!

They call us the "Happy-Go-Lucky People,"

This is the way we wash our hands at Linville...

We are happy to have a new sponsor this year. We hope Miss Lewis enjoys her first year, and has many more. She is a graduate of Northeast Louisiana University. Miss Lewis is a native of Oak Grove, Louisiana and at the present time residing in Monroe. We as officers are happy working with her on F.I.R.A. program and also the having Home Economics under her.

Seniors surprise their homeroom teacher, Mrs. Albertson, with a party.

"That must be good."

"But you didn't know any of the seniors could cook."

The senior class leaves for Monroe to attend a drug seminar at the Civic Center.

The Home Economics girls entertain the faculty with a tea.

Secretary of the La. Mental Health Foundation presented an informative program to the High School on the harm of drugs.
"I, Mrs. Goelia Lee Thurston, better known as 'Aunt Goelia' or 'Grandma' to most of the children at Linville, am the daughter of Mr. and Mrs. A. D. Crow of Linville, now deceased. I attended the China Grove School in the first and second grades and Linville in grades 3-8. Before starting the ninth grade, I married Mr. William P. Thurston and, therefore, never finished high school. I have worked in the Linville cafeteria for 37 years, the past six as manager. Even though, I had many extra duties such as delivering skimmed milk,  seeding up broodcats, and pulling teeth, I enjoyed my work immensely. During these years I have worked under the following principals: Mr. V. L. Davis, Mr. Garland Jones, Mr. Atlee Holle, and Mr. Billy Hill."

A retirement tea honoring Mrs. Thurston was held by the LHS faculty and employees in October of 1971.

Mrs. Thurston's smiling face and friendly hello will be missed at Linville.
The team is in the middle!!!

This is how we begin to put our annual together.

Betty must be telling Tricky and Mrs. Siadie another wild story.

Dale, we are supposed to keep our heads up and not down!!!

Robert, you are doing it wrong again!!!
