## *Foreword*

The annual staff of 1973 have spent many hours of hard work on the 1973 STINGER and hope that you enjoy it. I want to thank all of the members of our staff and our sponsor, Mrs. Barron, for all of the excellent work that they contributed in putting together the "73" STINGER. We have captured many of the scenes of life at Linville High School and would like to present to you now.

Editor,  
ROBERT WILSON

## Teams of the Past

Shown on this page are some of the first basketball teams, after Linville became a state approved high school.

The sporting apparel may seem strange and funny to us, but we must think of the times in the late 20's. Linville had no electricity or hot lunches. Wood stoves were used for heating and the basketball teams played on an outdoor, dirt court. This was the life at Linville some forty-six years ago. In these last forty-six years vast improvements have been made at Linville.

They really had the teams in the old days. The Linville Varsity Girl's team of 1948, which won the State Class C Championship, has been considered by many as the best girls team in Linville's history. In fact, Linville received the name Hornets after their championship.

# *Principal*

We, the students of Linville High School, are proud to have Mr. Billy Till for our principal. It is hard work. We think Mr. Till is doing a fine job. The students would like to thank him.
