## Foreword

We, the annual Staff of the 1973-74 Stinger, have spent many hours in planning, and putting our yearbook together. In the future, when you look back through this book, we hope you will see how life at L.H.S. was, and recapture moments that may have been forgotten such as your happiest hours, your valued friends, and your favorite teachers. We hope that each of you will always remember this year at L.H.S.

Susan Bridges  
Editor

Think we have enough snow for a snowball?

It's working!

If I told you, you'd tell my mother.

Homeward bound!

What a Wreck . . . .

Don't follow me I'm lost, too!
