Foreword

Many hours of hard work have gone into the preparation of the 1975 STINGER. I would like to thank the stinger staff for the long hours they have spent in helping put this book together, and a special thanks to our sponsor, Mrs. Barron, for all the help she has given us. We hope that in future years as you look back through this edition of the STINGER, many happy moments and old friends will be recalled to memory. We now present to you the 1975 STINGER of Linville High School.

Editor

Dedication

Leadership

Rene Pearson, Jeannie Thurston, Cindy Thurston, Jan Bowen, and Rhonda Wells attended the Leadership Conference held at L. S. U. in Baton Rouge. Classes that explained the many steps involved in the preparation of a yearbook were held daily and group activities were held each night. High school juniors and seniors from all over the state of Louisiana attended the Conference. Everyone had lots of fun and made many new friends.

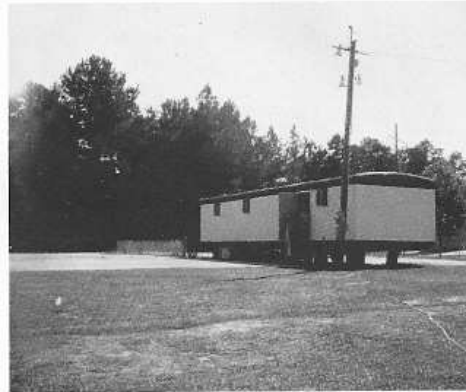

Let's have a party.

THE LONG HILL

I must have passed the crest a while ago
And now I am going down -
Strange to have crossed the crest and not to know,
But the brambles were always catching the hem of
my gown.

All the morning I thought how proud I should be
To stand there straight as a queen,
Wrapped in the wind and the sun with the world
under me -
But the air was dull; there was little I could
have seen.

It was nearly level along the beaten track
And the brambles caught in my gown -
But it's no use now to think of turning back,
The rest of the way will be only going down.
