After the taste of victory in the '77 season, the '78 Hornets are eager to begin their attempt for the District IB title. Unlike previous years, the coming campaign will have fairly good pitching staff. Randy Kilcrease, who was a honorable-mention All-District IB player last year, will lead the mound group with more than adequate aid from Chinky Dean and Mike Thurston.

Other consistent performers from last year's squad are: Captain Tom Snell; Bubba Ellis, who was also a honorable-mention District player; Steve Thurston; Roy Johnson and Paul Smith.

We are very confident in this years team, as we scored more runs against the District Champion, Spearsville, than any other team in the District or playoffs. We ask for everyone's support to make the coming season the best ever in Hornet history as we pursue the District Championship.
