Those Were the

We Thought

## Days My Friend

### Foreword

We, the Linville High School Yearbook Staff, are proud to present to you the 1980 STINGER. Many hours of hard work were put into this book to preserve some of the memories of our school days.

We would like to thank Mrs. Barron for her help and support. We now present the 1980 STINGER.

January 10, 1980

I went to Louisiana Tech University from June of '74 to May of '79. I have a Bachelor of Science Degree, and I am now teaching seventh grade Social Studies, eighth, ninth, tenth, eleventh, and twelfth P.E.

I am looking forward to a better season next year. I will have a year's experience in teaching and working with these students. I plan to apply more rules and enforce these rules more. The initiative of the eighth grade players is tremendous, and I wish the players this year had as much initiative as they do.

I am looking forward to the baseball season. I believe we will have much support and participation in this activity.

Coach Norman

January 10, 1980

The 1979-80 Girls Varsity Basketball team is currently approaching the third month of the season. The enthusiasm at the beginning of the season made me very optimistic, as coach, but unfortunately that eagerness and desire to represent Linville High School has dwindled down to a meager six players. It is a difficult position for all those involved in the game, to try and give 125%, when the interest in our accomplishments is so very limited.

The six girls on Varsity are Tina Pollard, Jackie Moy, Ginger Bridges, Laura Wise, Sue Pace, and Gwen Frazier. These six ladies have given a great deal of their time and effort to this year's basketball season. The team has shown considerable improvement from our beginning in mid-October. I am certain our credentials would have been much more impressive had our team been larger in number.

I would at this time like to pay special thanks to Donald Armstrong and Donald Wheeler for their total contribution this season. They together took on the responsibilities of statistics, scoring, and all the other necessities involved in managing a basketball team. They did an excellent job for both Coach Norman and myself.

The 1980-81 Girl's Varsity Basketball Team at Linville High School looks very promising. With everyone returning back to the lineup, and the addition of some junior ball players from this season, the Lady Hornets should prove to be stronger in number and stronger in desire. It is my belief that if we can generate a greater enthusiasm to participate in the team next season, and all those involved do give one hundred percent, the results will equal what Linville High School fans have long waited for, a powerful contender, a #1 team.

Barbara E. Ludemann

## In Memoriam

**BILLY H. TILL**  
March 19, 1933-August 18, 1979  
Principal — LHS — 1970 to 1977

Like the first sunrise fades into the first sunset, so too must a man fade. Some are more fortunate than others in that they do not fade so quickly. But like that first sunrise becomes forever fixed in our minds, so too some men attain this position in our hearts.

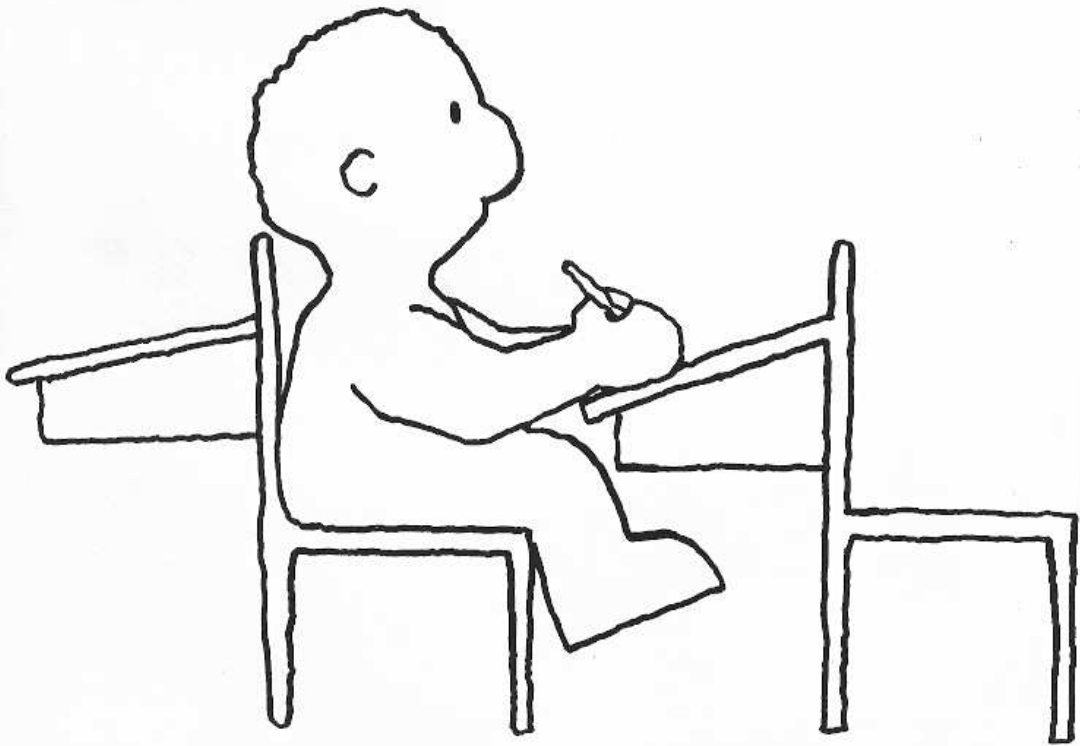

Mr. Billy H. Till: he will always be remembered because he was so well loved. One may ask why he was loved. Few are the people who find an insight into life; fewer still are the people who will share this understanding with others; this man was unselfish.

He was many things to many people; to some, he was a teacher and principal; to others, he was a model to emulate; to all, he was a friend.

Inasmuch as he did not live in vain, neither did he die in vain. His immortality shall remain with us forever.

By Jeffery Till
