FHA CREED

We are the Future Homemakers of America.
We face the future with warm courage and high hope.
For we have the clear consciousness of seeking old and precious values.
For we are the builders of homes, homes for America's future, homes where living will be the expression of everything that is good and fair. Homes where truth and love and security and faith will be realities not dreams.
We are the future Homemakers of America.
We face the future with warm courage and high hope.

Homeward

I will walk new pathways
As I find my way back home
But though the roads are unfamiliar,
I will not walk alone.

Some may stay in the shadows
Of some cold and desolate night.
Some may travel in darkness
But I will walk in light.

And even as the laughter fades
And only a smile remains
If a life was touched with sunshine
Then mine was not lived in vain.

You must understand — He's waiting,
With those I've loved and known.
For I am not gone forever
I am only going home.

Athletic Achievement

Darren Wheeler

Note from the coach:

Dinky Wheeler is a very deserving man. He displays a great deal of character, both on and off of the field. We are very proud to have Dinky back for two more years. I have high hopes that baseball will play a big part in Dinky's future.

Most valuable player District 2-C (Southern half) — 1980-81 All District 1980-81, All State — 1980-81.

Academic Achievement

Mike Lee

A note from the student affairs director

Mike Lee has accomplished some achievements, that are shared by very few high school students in the state.

In the tenth grade, Mike placed first at the District Literary Rally at La. Tech. In the eleventh grade, Mike placed first in American History and American Government at the district level, and first place and over-all division winner in Government at the state level.

For his outstanding accomplishments, he received a special letter of recognition from the Superintendent of Ed. J. Kelly Nix, and was awarded Academic scholarship to La. Tech, Northeast University and L.S.U. to top it all off Mike Made 29 on his ACT Test out of a possible 35.
