**VOLUME XXXVII
LINVILLE
HIGH SCHOOL**

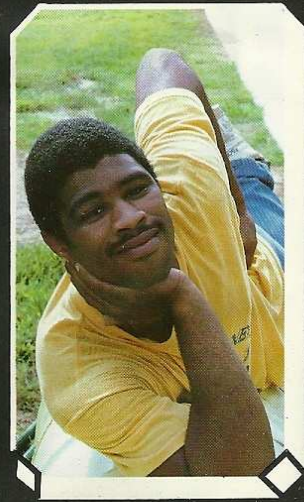

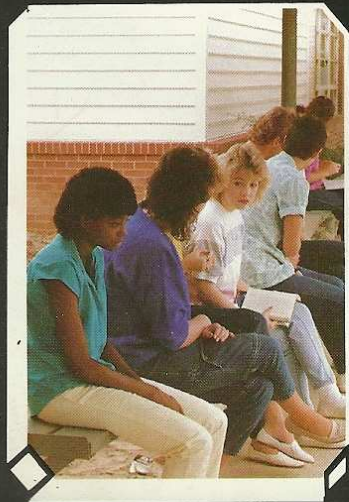

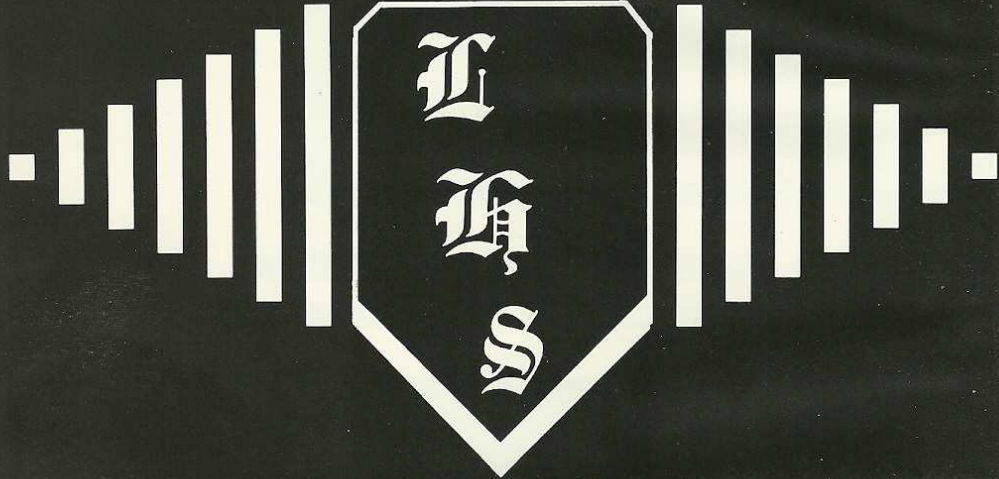

Stinger 1987

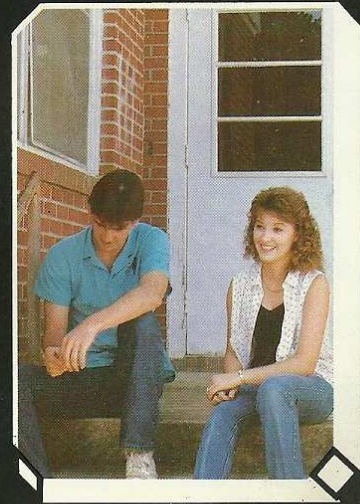

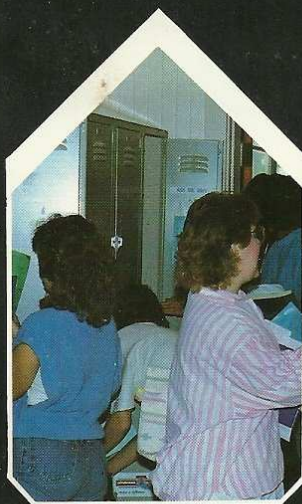

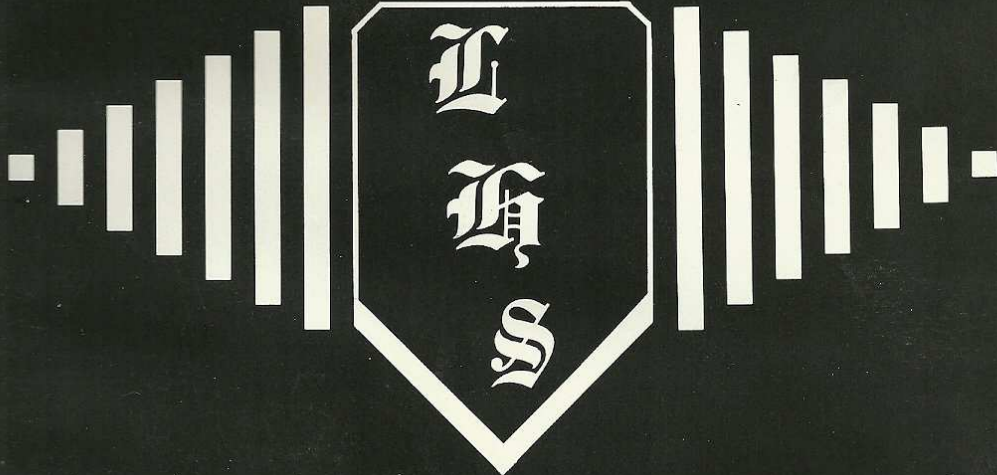

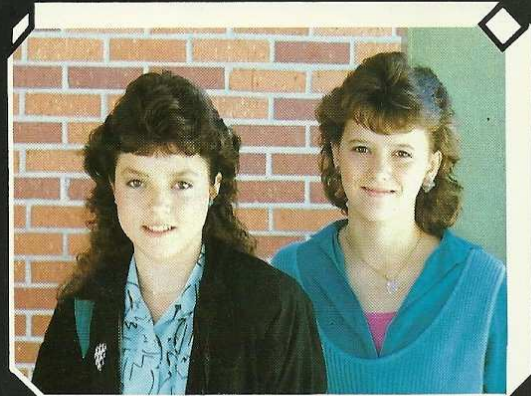

WE ARE

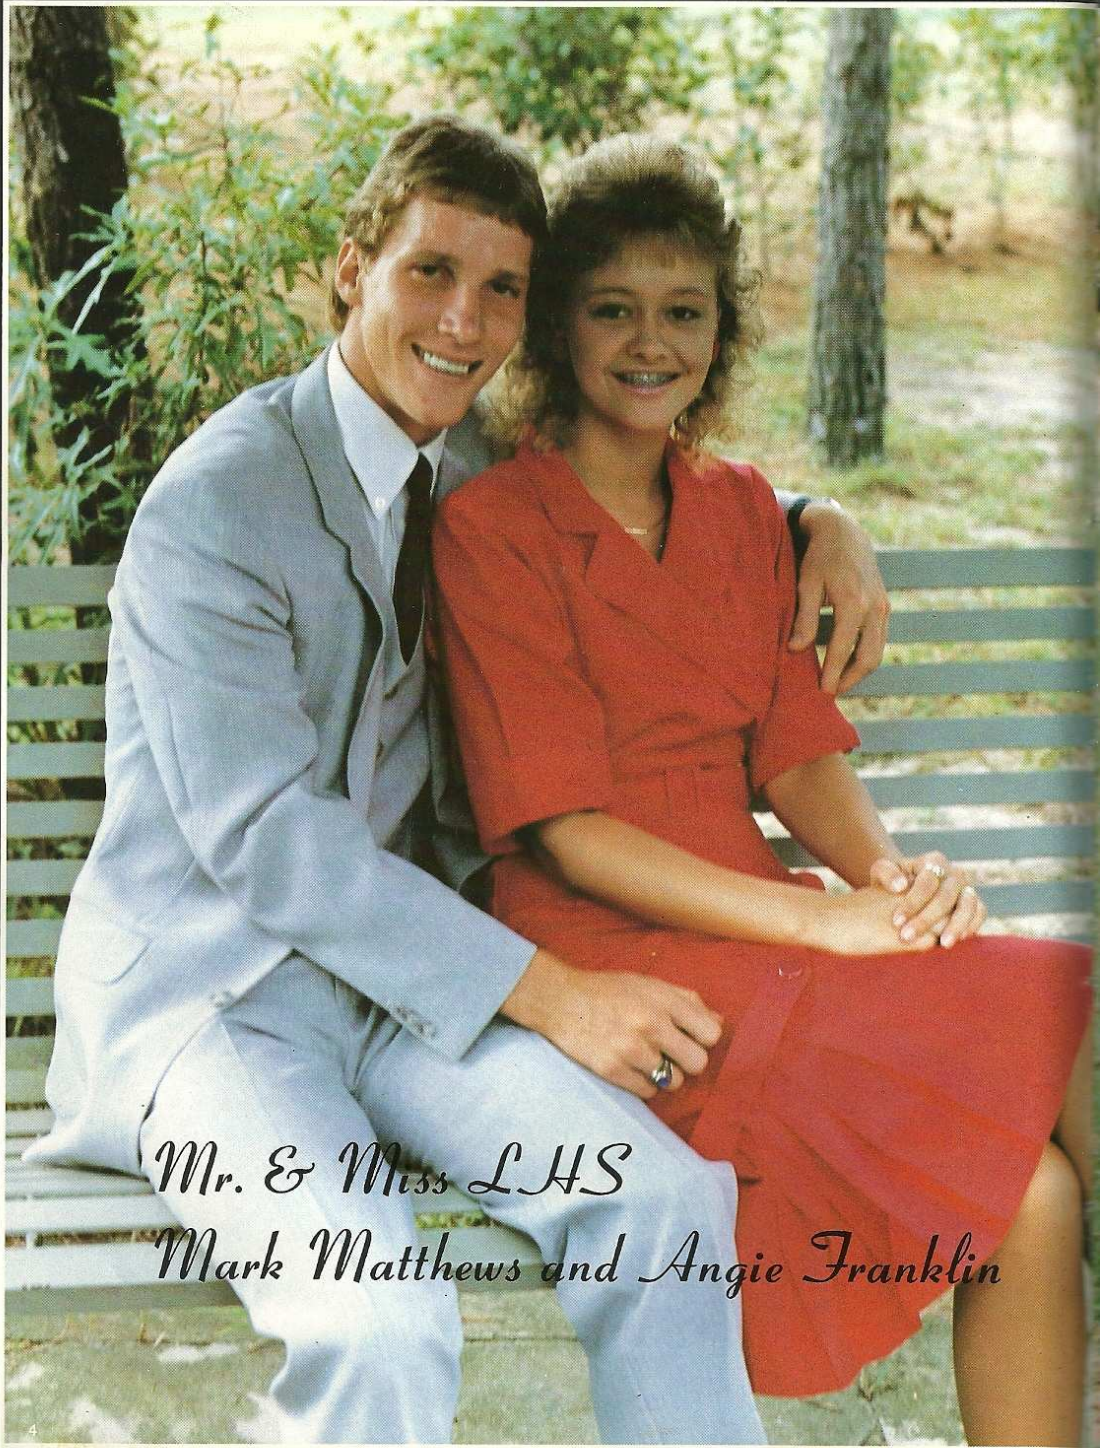

We are the world!! Here at LHS, we're not on a crusade to save the world, but we feel that the theme "We Are the World" describes the feeling of unity and togetherness experienced by every student and teacher from kindergarten to the twelfth grade.

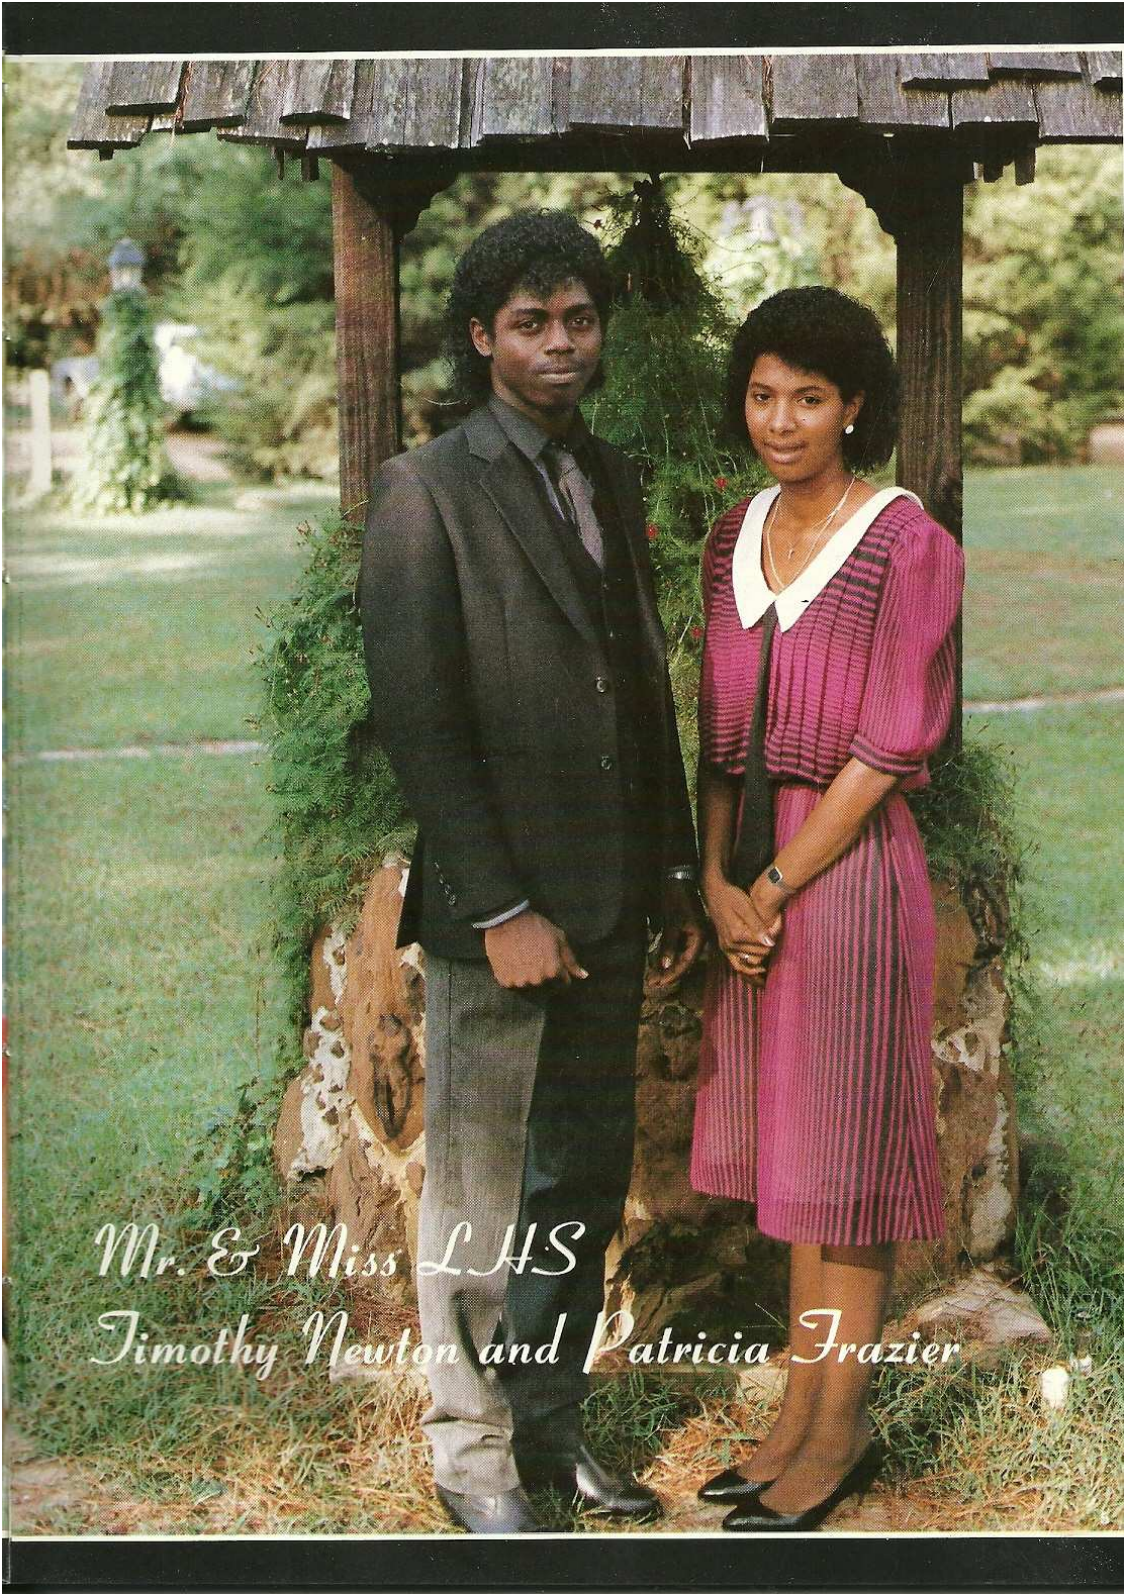

THE WORLD

In this year's Stinger, we are going to try and show you some of the reasons why we are the world, so, sit down and enjoy yourself as we begin our journey through our world! Then we hope that you can call it your world, just as we call it our world!

Faculty Leaders Guide Our World . . .

PRINCIPAL

John E. Ellis

It gives me a great deal of satisfaction to bring greetings and best wishes to all school personnel and patrons of Linville High School.

It has been gratifying to witness the fine spirit of cooperation which exists at all levels here at Linville. School personnel, students, and patrons have exhibited a type of loyalty which is unquestionable.

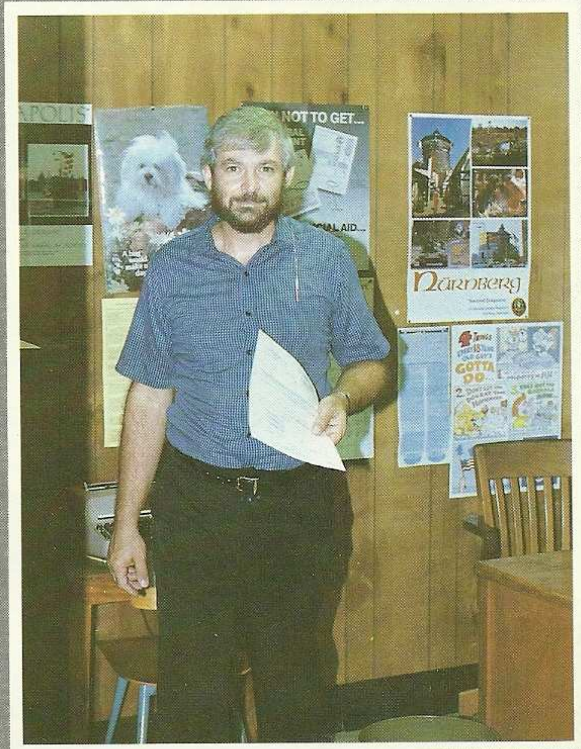

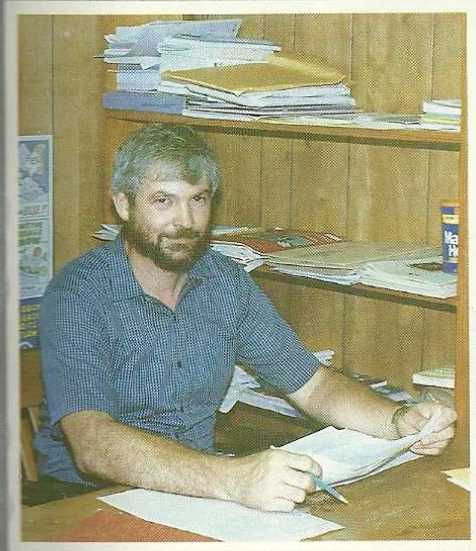

We hope and trust our students are making wise use of the time they spend here and are making every effort to bring credit to themselves and to the school. We believe that the atmosphere existing here will serve to create lasting impressions of courage, scholarship, service, and fair play. We are firmly convinced that all of us will be better able to make more worthwhile contributions to humanity because we will have spent some time at Linville.

Affectionately yours,

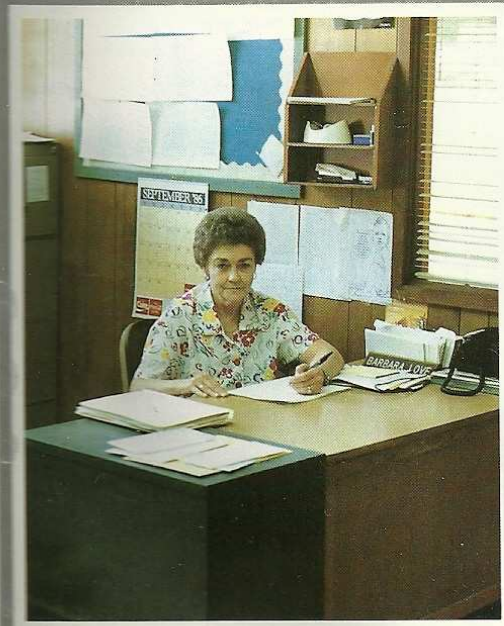

John E. Ellis

The Stinger staff of 1986-87 would like to take the time to thank two very special people in the production of our yearbook: Mrs. Pat Johnson, for all the help she has given us in ad sales and Mrs. Wanda Smith whose leadership and guidance has helped us not only this year but in the years before. For this reason, we dedicate the 1987 Stinger to you, Mrs. Smith. Thanks for both of your help, and keep up the good work!

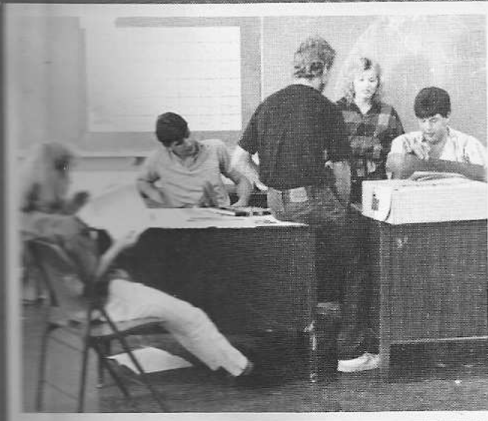

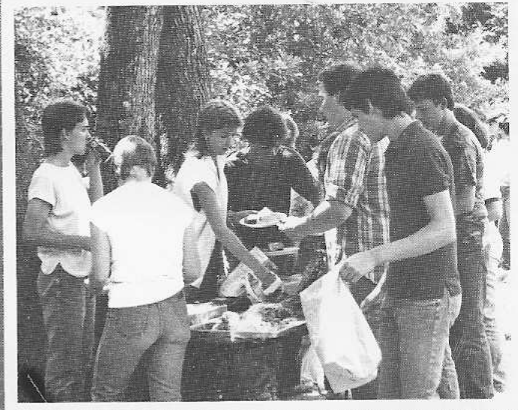

Stinger Staff
1986-87

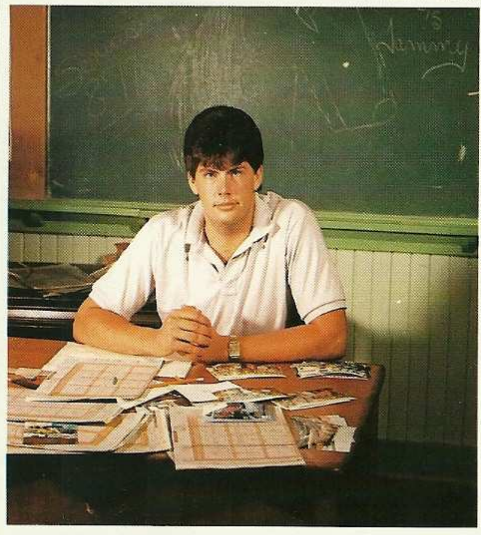

As the Co-Editors of the 1987 Stinger, we would like to thank every member of the staff and Mrs. Smith for all the time and patience they have had during the production of this yearbook. With all the effort that has been put forth, we believe that this is one of the best yearbooks ever, but it wouldn't have been possible without the cooperation of every member. We couldn't have done it without you. We hope that this book will bring you many years of enjoyment, from now on!
