An Annual Celebration! The Seniors of '88 really celebrated the end of their Junior year at the Junior-Senior Banquet. It was held on Friday, May 8, 1987, at the Holiday Inn Holidome in the New Orleans Room. The theme selected for the evening was "The Search is Over" and the colors were pink and charcoal gray. The Seniors of '88 would like to thank Mrs. Hudson and Ms. Mulkey for helping with the fundraising for the banquet. Everyone enjoyed a good meal and had lots of laughs. It was a night we will never forget.

Annual Celebration

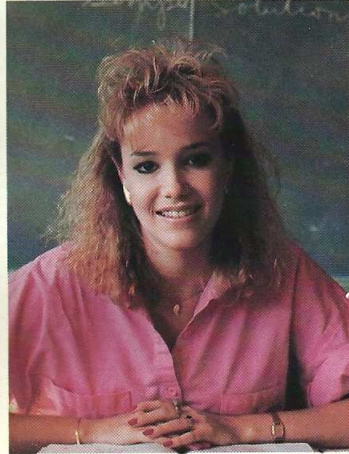

As the Co-Editors of the 1988 Stinger, we would like to thank every member of the staff for their hard work. With all of the effort that has been put forth, we believe that this is the best yearbook ever! This would not have been possible if it weren't for the members. We would like to give special thanks to all of the teachers for their patience. We couldn't have done it without all of you. We hope this yearbook will bring many years of enjoyment.

THANKS

The Stinger staff of 1987-88 would like to thank three very special people in the production of our yearbook: Mrs. Pat Johnson for taking time to help us with our ad sales, Mrs. Sherry Boyd for letting us out of class and for her advice, and Mrs. Wanda Smith for all of her patience and guidance. For these reasons we dedicate the 1988 Stinger to them. Thanks for all of your help!

THE BOSS

It gives me a great deal of satisfaction to bring greetings and best wishes to all school personnel and patrons of Linville High School.

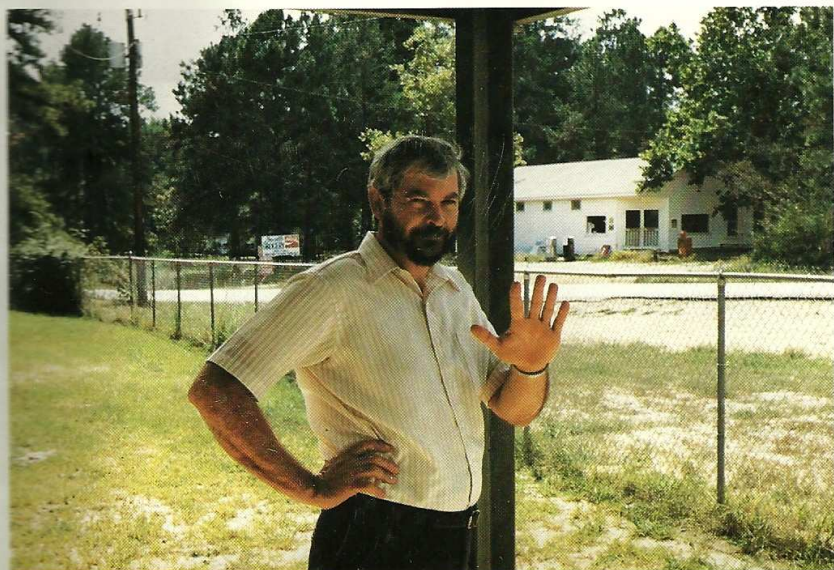

It has been gratifying to witness the fine spirit of cooperation which exists at all levels here at Linville. School personnel, students, and patrons have exhibited a type of loyalty which is unquestionable.

We hope and trust our students are making wise use of the time they spend here and are making every effort to bring credit to themselves and to the school. We believe that the atmosphere existing here will serve to create lasting impressions of courage, scholarship, service, and fair play. We are firmly convinced that all of us will be better able to make more worthwhile contributions to humanity because we will have spent some time at Linville.

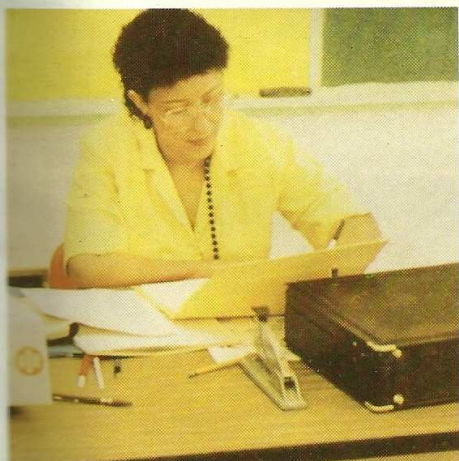

Affectionately yours,
John E. Ellis

The 1987-1988 yearbook staff, along with sponsors Wanda Smith and Sherry Boyd, would like to express their deepest thanks to Pat Johnson for all of her help with finances. Pat has been a big asset and faithful booster to LHS for several years. Pat's oldest son, Roy Lee, Jr., graduated in 1979. He is working as an accountant at Century Telephone in Marion. Roy, Jr. is married to the former Becky Gordon of Illinois. The couple has two children, Heather, five, and Amber, eight months. Heather has already won several beauty titles.

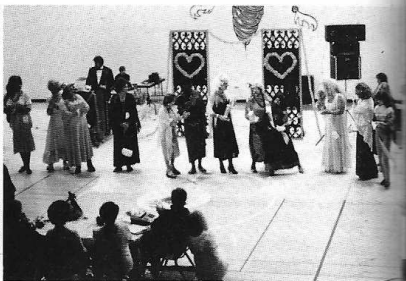

Pat's second child, Steve, graduated in 1980. He is also employed by Century Telephone. Steve is married to the former Donna Bailey of West Monroe. Steve and Donna have two children, Mark, five, and Bridget, eight.

The third Johnson son, David, graduated from LHS in 1981. David works for Roberson Welding and Wells Service of Marion.

Pat's last child, Linda Carol, graduates this year from Linville. Linda has been a leader in the school by holding the offices of Co-editor of the yearbook staff and FHA President. Linda plans to attend NLU in the fall of 1988.

Pat Johnson has contributed her time, her talents, and her concern to Linville High School. Without her, the yearbook staff would be unable to produce one of the finest books in North Louisiana.

"Thank you Pat. We couldn't do it without you!"
