L.H.S. PROM

The Seniors of '89 made the night of Friday, April 29, 1988, a historic one for Linville High School. On this occasion, the first prom in our school's history was held in the gymnasium. The theme selected for the evening was "Tonight, our future has just begun," and the colors were peach and mint green. The Seniors of '89 would like to thank Mrs. Martha Till for all of her hard work with fundraising and planning the prom. The Seniors would also like to express their gratitude to Mrs. Ollie Moses, who prepared the delicious refreshments, and to Mrs. Linda Garris, who provided a cake. Everyone enjoyed good food and an entertaining program. Linville's first prom was a night to remember.

Staff

Thanks

The Stinger staff of 1988-89 would like to express our deepest appreciation to three very important people. We could never express our gratitude for their performance. If it weren't for their help, strength, and advice, our yearbook wouldn't be possible. The guidance that was given from these remarkable people will always be treasured. To Mrs. Sherry Boyd, Mrs. Pat Johnson, and Mrs. Wanda Smith, the Stinger staff says thank you. Also, we would like to say God Bless You and stay the special people that you are. We love you!
