Our Dreams Have Just Begun!

Today — Tomorrow — The Future

Principal John E. Ellis

I am very happy to bring greetings and best wishes to all school personnel and patrons of L.H.S. by means of this edition of THE STINGER. My interest in you, your achievements, your problems, and your ambition is sincere and permanent. I have every reason to believe this feeling of concern is mutual. Consequently, I am constantly seeking means to communicate with you.

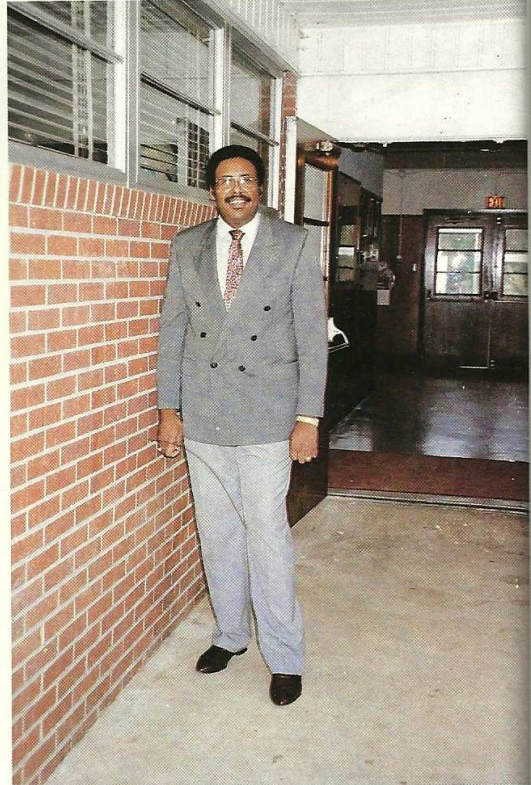

My firm belief is that L.H.S. is making worthwhile contributions to education in Union Parish, our state, and our nation. Through cooperative effort at all levels, success can and will be accomplished. With this in mind, our educational venture will continue to pay high dividends in the future.

I sincerely wish for you and yours the best of health, happiness and prosperity.

Affectionately yours,

John E. Ellis

PTO/Booster Clubs

These two groups of people have faithfully supported Linville High School with their loyalty, time and money. This year they have generated funds through booths at our Halloween Carnival and the State Fair. They held auctions, barbecues, and spaghetti suppers to help us meet the needs of our students. We would like to say we appreciate you and your generous spirit.

In Memory of Gary "Bodine" Snell

Sept. 22, 1967-Aug. 3, 1990

The life my son was living
Had to be hell here on earth below.
I know he is with Jesus
Just as sure as the river flows.

I know he was a good boy
Tho at times we would fuss and fight
But just a little while later
Everything would be alright

Yes Bodine is happy now
Up in heaven with Jesus and his dad.
Oh Lord have mercy on me
For at times I feel so sad.

Bless all my other children
For I know they are hurting too
One day we will see Gary and his daddy
Somewhere beyond the blue

By: Bonnie C. Snell
