Linville supports American troops around the world.

Greetings From Afghanistan

The students received this post card from Xavier Willis who is a 1991 graduate of LHS thanking them for the care packages, seen below.

I would like to thank you for organizing a care package on behalf of the students of Linville. Everything in Afghanistan is going well. Hope Collyer and Smith will be home around mid-August. Whenever the new school year starts ensure that you thank the faculty and staff. The care packages that you all are sending out are real morale boosters.

Thank You

The students and faculty of Linville put together care packages for the Linville alumni who were serving in the war. We sent the packages to Afghanistan.

Greetings again from Linville High School. I hope the mention of the name alone brings pleasant memories to mind. As I reflect over the years, I am thankful for the privilege of being part of this family. Together we have shared many joyful occasions and yes even some that were not. The strength we gain from one another allows us to pick ourselves up and reach for the stars. We strive to make each day special by providing students with the tools and skills they need to be successful in life. I hope you enjoy this edition of the "Stinger" and appreciate the many hours of work performed by the Publication Class and Mrs. Taylor. Their contribution to the history of our school is invaluable. We invite you to share in all the experiences of Linville High School and become part of our family.

Affectionately,
Glenda Reynolds

a of THE ACTION

Valentine's Day is always crazy at Linville. The office is literally filled with balloons, bears, candy, roses, and "I Love You's"

The Linville students and faculty were proud to raise money for the Cancer Relay for Life. Daniel Keen raised the most money, and Linville was the top fundraising school in the parish.

Conrad Cable had a very busy summer. He won a deep-sea fishing trip through 4-H and also went to 4-H camp and Space Camp in Natchitoches. Conrad presented a power point presentation at a PTO meeting to share about all the activities he participates in.

Ryan Conley went to Baton Rouge and participated in the annual GUMBO State Invitational track & field competition for students with physical and visual disabilities. He was named Bantam Athlete of the Year and won first in five events, sweeping the competition. We are proud of you, Ryan!

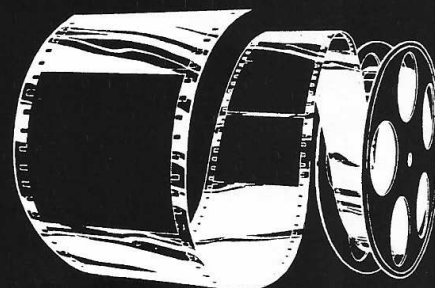

The annual Kindergarten - 1st grade field trip to the zoo was lots of fun. All the students got to pet some of the reptiles and other exotic animals.

Megan Kelly spoke to the crowd at the annual See You At the Pole Rally. The event is sponsored each year by the Christian Teens in Action club.

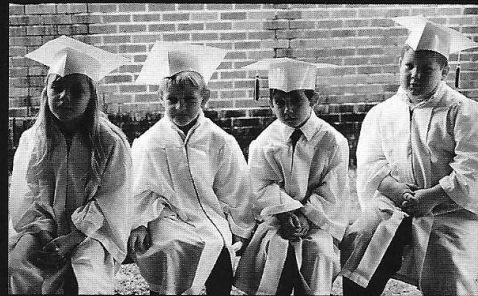

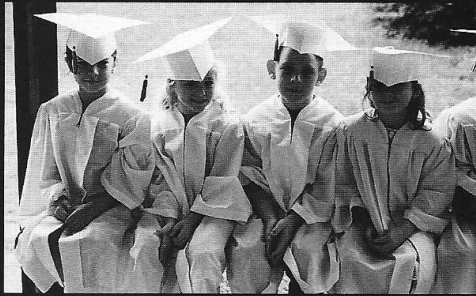

Allison Snell received special recognition because she was the only student in Union Parish to score at the Advanced level on the 8th grade Math LEAP test. Way to go, Allison!!

Mandi Davis attended a yearbook workshop at Kilgore, Texas and learned creative ways to produce the yearbook. She also went to LSU for 4-H state Equine competition. She placed fourth in Stakes and sixth in Barrels in the state.

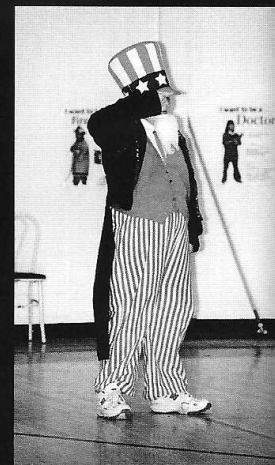

Several of Mr. Mitchell's students dressed up and went to the elementary classes to teach the children about Trick-or-Treating safety. As you can imagine, they really had an impact on the children.

Graduation 2003

Commencement exercises were held on May 12, 2003. District Judge Jay B. McCallum was the guest speaker.

Kimberly Duty excelled both academically and athletically. She maintained a 4.0 average while participating on several state championship softball teams. Kim captured the state championship in powerlifting during her senior year. Many awards and accomplishments were bestowed on Kim as she graduated first in her class.

Standing : Demetri Woods, Cudeldrick Bass, Keith Snell, Casey Towns, Steven Thurston, Melvin Johnston, Corey Kilcrease, Ross Bass, Nicholas Dunn, Chase McPherson
Sitting: Brandi Stanley, Catina Bracknell, Katy Parks, Sunday Kinison, Jenn Brantley, Misty Reppond, Karla Duty, Kimberly Duty, Melissa Mayo, Sara Dixon

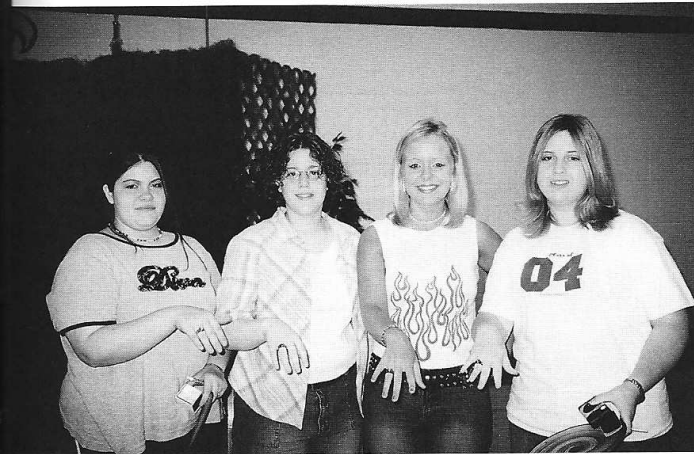

Misty Reppond also excelled in both academics and sports. She maintained an "A" average while participating on several state championship softball teams as well as playing on the basketball team. Misty served as co-editor of the yearbook during her senior year and was very involved in school activities. We are very proud of Misty for her accomplishments.

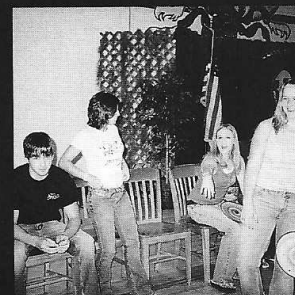

Ring Ceremony

One of the big highlights of students' junior year is the Ring Ceremony. The day after graduation, the juniors take their place as the "new seniors." This joyous occasion will always be a special memory for the Seniors of 2004.

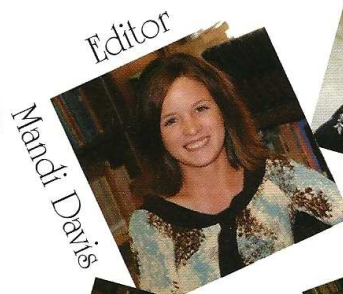

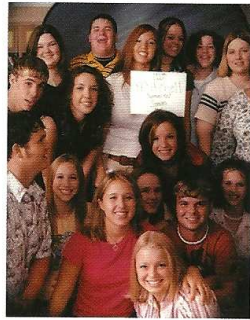

Here our 2004 Seniors show off their class rings. Everyone is looking forward to a great senior year, and graduation will be here before they know it.

Sam Saxon is proud to show off her ring as Lisa McVicker and Amy Rhodes share in the excitement.

The Stinger staff works extremely hard to capture the memories and events of life at Linville. No one ever truly realizes until they are on the staff how much planning, work, and stress go into producing a yearbook. I would like to thank the editors who spent many long hours to make sure deadlines were met and the job was done. It would not have gotten done without YOU!

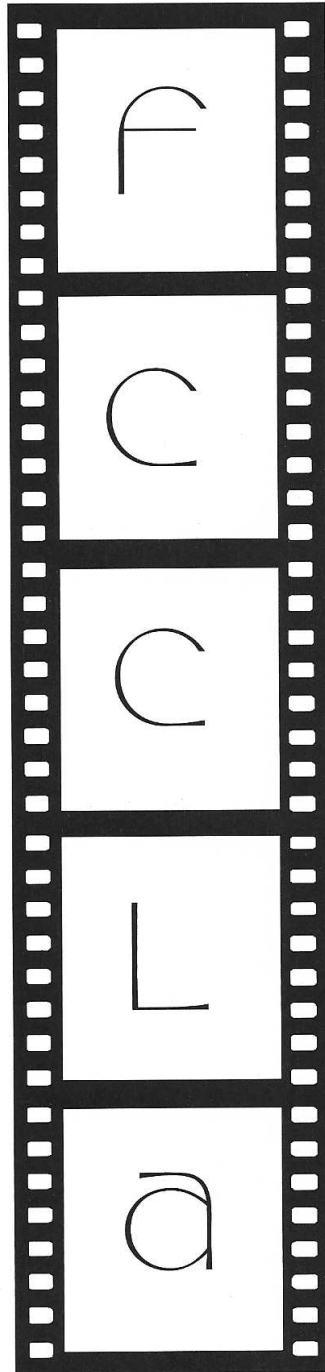

Thank you, Mrs. Taylor

Hot off the Press...

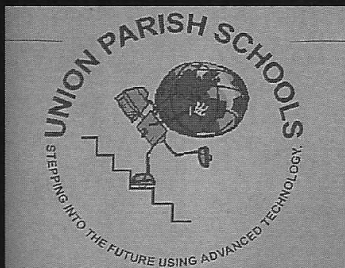

We captured some of the events making headlines at Linville just before Christmas.

Zac Yutzy, a freshman at Linville, won a new computer when he created the winning design (shown below) for Union Parish Schools' Technology.

The senior class invited Mr. Sol Rosenberg, a Holocaust survivor, to come speak to the high school students about the horrible things he endured as a young man in the 1940's during Germany's invasion of Poland.

Mrs. Zuma Love came and spoke to the Seniors about life during The Depression.

Makin' Bacon ~ Mr. Gray's Biology class dissected pigs.

A group of students went to see the Heart of Spain exhibit in Alexandria in November. It was quite impressive!

The Emerald Line dancers made Linville proud as they performed in New Orleans at the Superdome.

Scripture ~

Two are better than one, because they have a good return for their work, if one falls down his friend can help him up, but pitty the man who falls and has no one to help him up. Also if two lye down together they will keep warm, but how can one keep warm alone? Though one may be overpowered two can defend themselves, a cord of three strands is not easily broken.

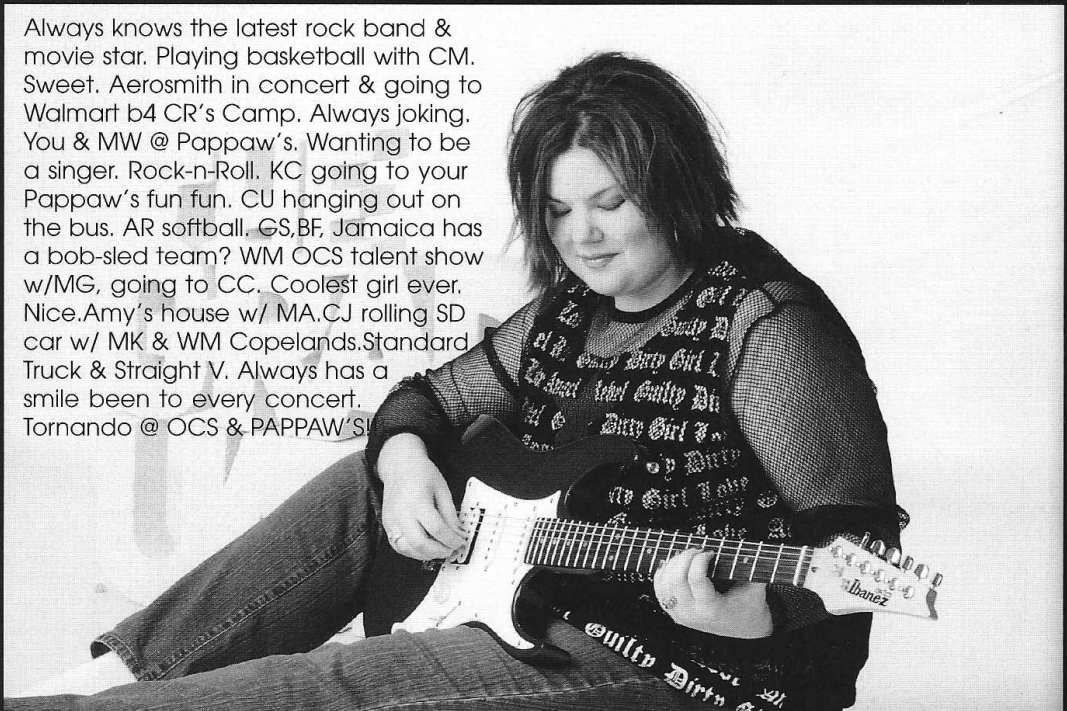

Ecclesiastes 4:9-12
